Mario González Duarte

FRONT END DEVELOPER

Profile

15+ years of experience in front end development with a wide range of technical skills and a deep understanding of the latest technologies and trends. Committed, dedicated, proactive and ability to be decisive. Team player, with predisposition for helping and/or transmitting knowledge, providing mentoring and support. In addition to development, I'm also interested in technical lead and front end architect roles.

Work Experience

Front end developer, SEDDI
